### If Elected some things I would like to do are:

- Create programs surrounding social justice issues
- Issues/Themes I would focus on as my time as SAVP
  - Kindness
  - Inclusion
  - Environmental Justice
  - Racial Justice/Privilege
  - LGBTQIA Issues
  - Anti-semitism
  - Understanding Privilege
- I want to promote a peaceful and loving setting through the discourses created by my programs.
- Pick bills for Albany Advocacy Day that will pertain to one of those issues above.
- Plan and create an Albany Advocacy Day that is fun, and engaging yet still informative.
- Highlight other people within our community who can lead programs around social justice.
  - Because it's not just about me, it's about y'all as well
- I want to create programs on issues that our community wants to learn about.
